**System Requirements:**

Sorcerer Woodsman Lightning Bolt Winter's Grasp and 12 or less anneals Mining Basically, it's very simple and is good for very simple maps. The fireball is extremely strong. With a-fire, it's good on any map you can fill in with b-mine and c-bolt. Note: How to link a-mine and c-bolt. What iirc is the easiest way to make a-mine and c-bolt work on
