They enable public services to function and play a vital part in our daily life. The FFA is an in-house volunteer-led organisation, providing services to the community that are not available in the public domain. There is no one-size-fits-all approach to volunteerism. The FFA engages Volunteers from a wide demographic and experiences to meet the needs of individuals, groups and communities. This is a great opportunity to get together with like-minded people and share your time and talents. You'll have the opportunity to engage with people on a regular basis and enjoy working with others in an inspiring and highly rewarding environment. The FFA is actively seeking volunteers for a wide range of roles. If you're interested in helping people during the lockdown, please visit our volunteer page Education How it works Working with people is where the real satisfaction comes from - volunteering with the FFA can provide you with that opportunity. Contact the FFA for the form. Community Our volunteers are not only passionate about the work they do; they are passionate about FFA and the work we do to help and inspire our community. The FFA is made up of a group of people with a variety of ages, backgrounds, and life experiences.Q: How to change minimum value in Razor using view model? I want to change the minimum value in the view model, e.g. from 0 to 5. But the value always set to 0. The view model is bound to this field in a data grid.  
@Html.DropDownListFor(m => m.DefaultValues.MinDeviation, Model.SelectedDeviationList) A: @Html.DropDownListFor expects the first parameter to be a HtmlHelperExtension method and the second parameter to be the value expression.  
@Html.DropDownListFor(m => m.DefaultValues
